

Hal Hudson

Distinguished Service Award

Nomination Form

DEADLINE: Friday, July 16, 2021

The Kansas Pest Control Association Distinguished Service Award recognizes those outstanding contributions to the Pest Management Industry in Kansas. It is given primarily for dedicated service to the industry over a period of years.

Is there a pest management professional who has made significant contributions to the industry and association who is deserving of receiving this honor? If so, fill out the nomination form below and submit it to our offices.

All nominations are reviewed by the KPCA Awards Committee. You may be contacted for further information on your nomination. Self-nominations are accepted. All nominations are confidential.
