

HALL OF FAME NOMINATION FORM

The Kansas Pest Control Association Hall of Fame honors individuals who have made significant life-long contributions to the association and the industry throughout history. These individuals have been instrumental in forming and shaping KPCA and the Kansas Pest Management Industry.

Is there a pest management professional who has made significant contributions to the industry and association who is deserving of induction into the Hall of Fame? If so, fill out the nomination form below and submit it to our offices.

All nominations are reviewed by the KPCA Hall of Fame Committee. You may be contacted for further information on the nomination.

Nominee Name _____

Title _____

Company _____

Why should this individual be inducted into the Hall of Fame? Submit your answer on additional pages; supporting materials accepted

Your Name _____
